[GMHV | Director of Search](#)

09 / 2007 - 02 / 2008

I was hired to bring an Inc500 company to the first page of Google, as they had zero organic results for 'home value'. I also reduced the monthly PPC spend by 35% and increased leads by 40+%. Trained and developed a team of 6 to continue work after my contract was up. Achieved 3rd in the world rankings for desired terms, which lead to a significant increase in qualified traffic.
